I can try. They are referencing market report. Maybe we can look at one tomorrow when we are both in the office?

**Importance:** High

Hi Henna,

Per my voicemail to Elan, we've been in touch with Dana and she's looking to get the info by end of day tomorrow, so we do have some time.

Nick/Elan - When you have a minute, please forward the definition of 'affordable' housing as it is applied in the Market Reports and we'll make sure she gets it.

Should you have any questions, please do not hesitate to call.

Thanks in advance,

John

Hi Henna,

I just got a call from Dana at the LA Business Journal. She wants to know what our definition of "affordable" housing units are (in reference to page 6 of the market report). I told her I would forward the request to you. Her contact info is below. Not sure how you handle these things from here.
